Dear [Redacted]

I should like to express my appreciation to you for welcoming me and my Foreign Policy class to the C.I.A. on April 30th. Your briefing on the various activities and functions of the C.I.A. and the specially-prepared film were both rewarding and informative.

STAT

Please also relay my thanks to [Redacted] with whom I spoke on several occasions about our visit there.

Yours truly,

Charles F. Wiltshire
